### Short Environmental Assessment Form

#### Part 1 - Project Information

**Instructions for Completing**

**Part 1 - Project Information.** The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

<td><strong>Brief Description of Proposed Action:</strong></td>
</tr>
<tr>
<td>Construction of a 24 to 30-inch diameter water transmission main from the Rumbrook Pump Station (PS) in East Rumbrook Park eastward, crossing above the Catskill Aqueduct, under the Sprain Brook Parkway and within and beneath local streets to the Knollwood Pump Station, where it would connect into the various transmission lines exiting the Knollwood PS to distribute water to the Consolidated Water District #1 in a manner similar to what is currently accomplished by the Knollwood PS alone. Installation of the transmission main will require demolition of the existing chlorine contact tank in the vicinity of the Rumbrook PS.</td>

**Disclaimer:** The EAF Mapper is a screening tool intended to assist project sponsors and reviewing agencies in preparing an environmental assessment form (EAF). Not all questions asked in the EAF are answered by the EAF Mapper. Additional information on any EAF question can be obtained by consulting the EAF Workbooks. Although the EAF Mapper provides the most up-to-date digital data available to DEC, you may also need to contact local or other data sources in order to obtain data not provided by the Mapper. Digital data is not a substitute for agency determinations.
