 - a) Car registration,
 - b) Household bill, i.e.; Con Edison or cable,
 - c) Oil or furniture delivery receipt,
 - d) Social security check with address,
 - e) Retirement check with address,
 - f) Social service voucher with address, or
 - g) Medicare/Medicaid card with address
2. When no driver's license is produced, a picture I.D. and **TWO** of the above suggested proofs are required.
3. When a town resident has just moved into town, they need to present;
 - a) Photo I.D. and;
 - b) **TWO** of the following: notice to turn on Con Edison, telephone, cable or notice from bank to transfer account address.

PLEASE NOTE: The department reserves the right to request additional verification and to reject any proof it deems questionable.

What constitutes residency? A resident is a person who lives in the Town of Greenburgh unincorporated area. A person's residency is a dwelling, abode or habitation for a continuance of time.

NOTE: Owning property in Greenburgh does not necessarily qualify a person as a resident.
