

Town of Greenburgh
**ASSISTANT
TOWN HISTORIANS**
SURVEY MONKEY COORDINATORS

— felicia barber + riley wentzler —

New York State owns the following roads in the town:

1. 100- Hillside Ave
2. 100A- Knollwood Road
3. 100B- Dobbs Ferry Road.
4. 100C- Grasslands Road
5. 9A- Saw Mill River Road
6. 119- Tarrytown Road.

They agreed to repave Saw Mill River Road in Ardsley, parts of Dobbs Ferry Road and Hillside Ave. But they haven't said anything about: Knollwood Road, Grasslands Road or Tarrytown Road. There are many potholes on other roads they own located in Greenburgh.

In light of this, please answer the following survey.

Constituent Outreach Survey # 4 Regarding Road Maintenance

1. Have you seen cars or trucks going out of their lanes to avoid potholes on any state road in Greenburgh and, in doing so, endangering pedestrians/cyclists/ walking/riding on or close to the road, and also risking collision with other cars?

Yes

No

2. If New York State, put a road repaving bond act to expedite road repaving, that would provide a fair share of the bond act revenues to state roads in Greenburgh, on the ballot, I would vote:

Yes, if the tax increase was more than \$100 but less than \$200 **OR** if it was less than \$100

Yes, **ONLY** if the tax increase was less than \$100

No, because I don't want my taxes to go up any more than they already have.
