

Dear Water Customer,

By Resolution TB-3-01/22/2020, the Town Board of the Town of Greenburgh Resolved that the fire hydrant maintenance fees previously collected on property tax bills and via fire protection district billing will now be collected on the Greenburgh Consolidated Water District #1 water bills. The fees are billed at a rate of \$0.39 per 1,000 gallons of water for quarterly billing and a flat fee of \$36.83 per month for monthly billing. The fee appears on the quarterly bill as rate code HDQ and monthly bills as rate code HDM.

Thank You.
