BULK AND METAL COLLECTION

- Bulk garbage and metal pickups have resumed by **appointment only**. Residents choosing to use this service must call the DPW office at (914) 989-1581 or (914) 989-1580 to schedule a collection. Appointments are scheduled for bulk items on Thursdays or Fridays and metal items on Tuesdays. **Collections are limited to 2-3 items**. Please be aware that there is a high demand for collection appointments, with limited slots per week, we ask for your patience as we begin scheduling.
- Residents that are doing “spring-clean-up” and find they have more than the allowed 2-3 items should seek services of a private carting service or junk removal company. Many of these firms provide opportunities for re-use of your discarded items.
- When purchasing a large item, such as a mattress, appliance, or furniture, check with your retailer about disposal options for your older item. Residents are encouraged to donate items when possible, try Furniture Sharehouse: <https://furnituresharehouse.org/>

E-WASTE DISPOSAL

- County regulations require mandatory recycling of all e-waste. This includes computers, TVs, printers, etc.
- E-Waste is accepted at the Westchester County Household Materials Recovery Facility, located at 15 Woods Road, Valhalla, New York. Residents can reserve a time slot for appointments up to two weeks in advance. To make or cancel an appointment, call the Recycling Help Line at (914) 813-5425. More information can be found here: <https://environment.westchestergov.com/facilities/h-mrf>

ORGANIC YARD WASTE

- Organic waste pickup (i.e. leaves, cut up and tied branches, as per the Town Code) continues weekly – no appointment or call necessary. Just place your organic yard waste at the curb in open containers, or bundled and tied – no plastic! Please note:
- Leaves and grass clippings must be in paper yard waste bags or open, reusable containers. Consider mulching for improved yard care.
- Branches and twigs must be tied and bundled in small bundles – less than 4 feet long and bundle size total less than 2 feet across. No logs or stumps.
- The Town does NOT pick up material from private contractors. For example, if you hire a contractor to remove a tree, they are responsible for hauling away the debris.
