

DUE TO THE HEAT WAVE, BOTH MASSARO AND VETERAN PARK POOLS

WILL REMAIN OPEN UNTIL 8 PM FROM 7/21-7/25

THURSDAY: WELCOME THREE SISTERS FARM AT GREENBURGH TOWN FARMERS MARKET--TOWN HALL AND ENJOY THE OTHER VENDORS ALSO

THIS SATURDAY: 20 vendors, food trucks, music and fun at Massaro Park

A new farmers market at Town Hall on Thursday, a free festival at Massaro Park, and the pool is open! It's going to be a hot week - make it a fun one! Bring the family, chairs, blankets, shop local, enjoy music, dance party and let's talk about how we can build community. Join us July 23 from 2-7 pm at Massaro Park, 139 Abbott Ave, Elmsford with 20 vendors, food trucks, music by Jericko and fun for the whole family brought to you by the Fairview Empowerment Group (FEG) and Councilwoman Gina Jackson. First up, here's more info on this week's Farmers Market:

FAIRVIEW GREENBURGH FARMERS MARKET

THURSDAYS @ TOWN HALL, 1-6 PM

177 Hillside Ave, Greenburgh NY

THIS WEEK'S FEATURED VENDORS:

Thanks for your patience as we are growing this new market week by week. We are pleased to report we will now have essential fresh produce at the market supplied by **The Three Sisters Farm** in the Catskills-region town of Kerhonkson. Owner Jose will bring potatoes, beans, corn, garlic, cucumber, tomatillo, zucchini, and more. We look forward to next week when the tomatoes are ripe enough! Please come welcome our premiere farmer at Thursday's market, and note they also accept farmers market checks and debit cards.

We also welcome back **Melissa's Health Hub**, here at the market every other week. Melissa writes:

"I have been a resident who has lived in Greenburgh all of my life. Since I was a young adult, I had a desire to encourage people to become the healthiest version of themselves through proper nutrition. Over the years, I have discovered the need for a juice bar in my hometown. A place where people can get fresh juice in addition to other wellness products. By the grace of God and my desire to see people healthy, I took a leap of faith to establish Melissa's Health Hub during the heart of the Pandemic. I thought that it was a great time and opportunity to educate people about the importance of sustaining a healthy lifestyle through my all natural products.

"I am currently a vendor at the Pleasantville Farmers Market (since 2021) and was a vendor at the TaSH Market in Tarrytown in 2020. I am very excited to become a new addition to the Fairview Greenburgh Farmers Market to service the people who live in my community. This

opportunity is such a blessing. Plus I am happy that Greenburgh residents now have access to fresh produce in our own town.

“My business has become well known locally for my delicious all natural juices (that are not made with added sugar, water and preservatives), sea moss, tonics and dehydrated snacks.

“With all of this being said, everyone be on the lookout for the Health Hub bi-weekly on Thursdays from 1-6pm to stock up on some flavorful health goodies. You can also order for local delivery at www.melissashealthhub.com and follow the Health Hub on Instagram for more information about my wellness products @melissashealthhub.”
